1 November 1961 25X1 MEMORANDUM FOR: Chief, WH Division THROUGH: Commendation SUBJECT: 1. Surely no effort on the part of the Agency was more demanding of the loyalty and professional integrity of our people than 25X1 The way our personnel responded to this challenge Project was so commendable that I recently wrote Chief, WH Division a memorandum expressing my recognition of their performance. 2. I am convinced, however, that an essential factor in producing such devoted service was the quality of leadership which you offered as Chief of the Project. The disappointment and problems resulting from the tragic conclusion of the Project should not cause us to forget or depreciate the extraordinary selflessness and the unquestioning, often unrewarding, commitment to the never-ending staff contributed requirements of the Project which your quite cheerfully without the slightest complaint. 25X1 3. I am writing you this memorandum to show you in a small way my conviction that your example and devotion as Chief made an important contribution to the dedication of your staff. Also, please accept this as evidence of my appreciation on behalf of myself and the Agency. I am submitting a copy for inclusion in your file. 25X1 ALLEN W.
